OFFICIAL MEMORANDUM

SUBJECT No 307

Inclusion of Kalkunte village within municipal limits of Hosur

The attention of the Secretary to the Government is drawn to Subject No 307 of the Dasara Representative Assembly Proceedings of Oct 1936 and he is requested to report what action, if any, has been taken in the matter of inclusion of the village in the municipal limits of Hosur

By order,

Secretary

The Secretary to the Government

Subject No. 307

Inclusion of Kalkunike village within Municipal limits of Hunsur.

Summary of assessment.—The [illegible] village of Kalkunike is situated at a distance of [illegible] from the Municipal limits of the Hunsur Town. The inhabitants of the village proposed to be included within the Municipal limits but as the villagers objected to this proposal, the Deputy Commissioner directed that the matter might be brought to his notice. The people of Kalkunike have to pass through the Hunsur Town while they are taken out either for grazing or for agricultural purposes thus causing obstruction to the public roads. For these and other reasons such as the prevalence of contagious diseases, the Government may be pleased to include the village within the limits of the Hunsur Municipality.

Reply of Government.—To the Deputy Commissioner for [illegible] needful action.

With reference to Government official Memorandum No. 13536 dated 19th June, 1897, regarding the inclusion of Kal Kunike Village within municipal limits of Hunsur, I have the honor to state that the inhabitants of Kalkunike strongly object to the measure for fear of extra taxation. The Amildar has however been directed to explain to the people the benefits that would accrue to them if their village is brought within the municipal limits of Hunsur. SIR,

With reference to Government Order No. 7742 - F. 159-96 dated 19th November 1897, calling for a report on the amount of municipal revenue &c. if the municipal rules are introduced into the village of Kalkunikè near Hunsur and subsequent reminders, I have the honor to state that the Government would lose Rs. 359-8-- of mohatarfa revenue and the municipal Board would get Rs 346-8-- showing a decrease or difference of Rs. 13 due to the prevailing lower rate of house tax in municipalities than in rural villages. However there is a prospect of increase in municipal revenue if the receipts under octroi and miscellaneous are included. A sketch map showing the distance and position of Kalkunikè village with reference
